## The Company

JLP Trading was established in 2007 and registered on 2008 with the CIPC, focusing on Construction and Telecommunications projects within South Africa. JLP is a 100% black owned company.

The Company was established mainly for general maintenance projects such as, plumbing and fit supply, painting, glazing, building and manufacturing and Installation of Aluminum Windows and doors, however due to the fast growing developing and needs in the construction industry, it became necessary to broaden the services that could be provided by JLP Trading, so as to offer multi-disciplinary consulting services in the construction space.

## Our Levels Credentials
